# Your Westchester Power National Wind Benefit Report

## How you helped green the grid in 2016

### 2016 WIND Power Benefit Report

[name]

Purchase Period: January through December 2016

Purchase Amount: [##] kilowatt-hours

Certificate Number: [CES-####]

You are helping to build a clean energy future. We applaud you for your leadership and for making a difference for New York. You have purchased the above amount of WIND Power for 2016.

### 2016 Westchester Power National Wind Historical Product Content Label<sup>1</sup>

Westchester Power National Wind is a Renewable Energy Certificate (REC) product and does not contain electricity. A REC represents the environmental benefits of 1 megawatt-hour (MWh) of renewable energy that can be paired with electricity. For more information, go to [www.conedisonsolutions.com/swrec](http://www.conedisonsolutions.com/swrec)

Westchester Power National Wind will match 100% of your electricity usage in 2016. Westchester Power National Wind was made up of the following renewable resources:

Green-e Energy Certified New <sup>2</sup> Renewables in Westchester Power National Wind		Generation Location
Biomass	0%	
Geo Thermal	0%	
Hydroelectric	0%	
Solar	0%	
Wind	100%	National
<b>Total Green-e Energy Certified New Renewables</b>	<b>100%</b>	

1. These figures reflect the renewables that we have contracted to provide. Actual figures may vary according to resource availability. We will annually report to you before August 1 of the following year the actual resource mix of the electricity you purchased in the form of a Historic Product Content Label.

2. New Renewables come from generation facilities that first began commercial operation within the past 15 years.

For comparison, according to U.S. EIA (2014) the average mix of New York State's energy generation is: Coal-fired (1.9%), Nuclear (29.2%), Oil (.2%), Natural Gas (45.7%), Hydroelectric (18.2%), and Other (4.1%). The average home in the United States uses 909 kWh per month, [source U.S. EIA, 2013.]

For specific information about this electricity product, please contact ConEdison Solutions at 1-888-320-8991 or visit [www.conedsolutions.com](http://www.conedsolutions.com).

Westchester Power National Wind is Green-e Energy certified and meets the environmental and consumer-protection standards set forth by the non-profit Center for Resource Solutions. Learn more at [www.green-e.org](http://www.green-e.org).
